SKILLS

Programming Languages: Python, Java

Frontend: HTML5, CSS3

Backend: Spring Boot

Databases: MySQL

Core Subjects: OOPS

PROJECTS

Student Management System

Jan 2025 – Feb 2025

Java, Spring Boot, MySQL

- Developed a **CRUD-based web application** to manage student records, courses, and academic details efficiently.
- Implemented **Spring Boot REST APIs** and integrated MySQL for secure and structured data persistence.
- Improved code maintainability by applying **OOPS principles** and layered architecture.

Personal Portfolio Website

Nov 2024 – Dec 2024

HTML, CSS

Live: gpavithra.xyz

- Designed and deployed a responsive **personal portfolio website** showcasing skills, projects, and contact information.
- Focused on clean UI, accessibility, and cross-browser compatibility using modern CSS practices.

INTERNSHIP

Python Developer Intern – Vilindha Technologies

May 2024 – June 2024

[View Certificate](#)

- Worked on **Python fundamentals** including loops, functions, and basic data structures.
- Improved problem-solving skills through daily coding tasks.

Application Developer Web & Mobile – Rooman Technologies

May 2025 – July 2025

[View Certificate](#)

- Learned **web and mobile application development** concepts and application flow.
- Collaborated in a professional development environment.

CERTIFICATIONS

- **Python Zero to Hero Bootcamp – DevTown & MSME** [View Certificate](#)
Completed intensive training covering Python basics, control structures, and problem-solving techniques.
- **MS Excel Certification – Mind Luster** [View Certificate](#)
Gained practical knowledge of spreadsheet management, formulas, and basic data analysis.
- **Introduction to SQL – SoloLearn** [View Certificate](#)
Learned SQL queries, joins, and relational database concepts.
- **Paper Presenter – I-SMAART 2024 International Conference** [View Certificate](#)
Presented a research paper titled **“Resource Management in Cloud Computing”**.

EDUCATION

Sri Venkateswara Institute of Technology

2022 – 2026

B.Tech in Computer Science and Engineering, Percentage: 84%

India

Government Junior College

2020 – 2022

Intermediate (MPC), Percentage: 74%

India

Sumedha English Medium High School

2019 – 2020

SSC, Percentage: 97%

India
